

HDSCS Protection GPN 365

poepplmann.com/us/gpn375

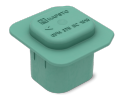

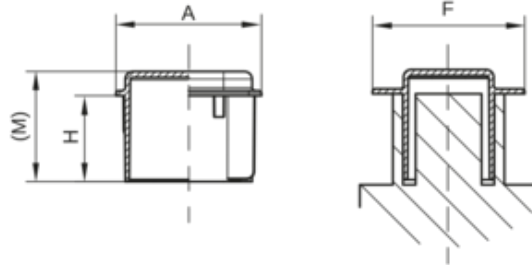

NEU

The HDSCS GPN 375 protective cover is suitable for protecting the Heavy Duty Sealed Connector Series and protects pin housings and contact pins with pole counts between 2 and 18. Internal ribs grip the inner contour, whilst the connector is protected on the outside. The material is heat-resistant up to 150°C for short periods.

HDSCS protection for internal protection

Suitable for HDSCS pin housings and contact pins
