

Contact Protection

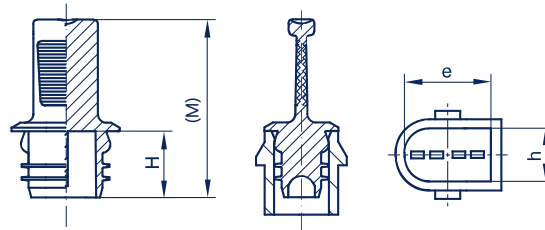

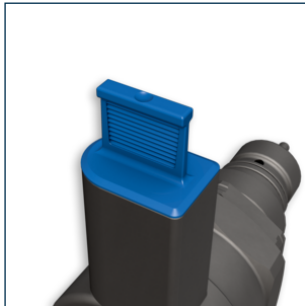

GPN 360 Type B

Application

The contact protection GPN 360 Type B protects compact connector sockets in the low-voltage range, e.g. MLK, SLK and MAK, and is also suitable for oval openings. The handy grip tab ensures quick removal and the circumferential ribs enable an optimum clamping fit. Within certain limits, the contact protection prevents the ingress of liquids.

All information about 100% PCR and the recycling blend can be found at www.poeppelmann.com/en/kapsto/Responsibility.html

Information on materials, colours, designs and use of our products can be found on the website and in chapter 4 'Materials and application'.

Customer Information pursuant to Art. 16 of the PPWR (EU Regulation 2025/40): To the best of our current knowledge and based on information from our raw material suppliers, the products we supply do not contain the heavy metals listed in Article 5, paragraph 4 of the PPWR (lead, cadmium, mercury, and hexavalent chromium) in a total concentration exceeding 100 mg/kg. Pöppelmann neither intentionally adds these regulated substances as components nor are they expected to be present in impermissible concentrations as impurities resulting from the manufacturing process.

Furthermore, according to information from our suppliers, our products do not contain any substances of very high concern (SVHCs as defined in the current REACH Candidate List) in a concentration exceeding 0.1 percent by mass. Pöppelmann does not intentionally add these substances during the manufacturing process. Any presence below this reportable threshold is attributable to unavoidable, raw material-related impurities or technical specifications set by raw material suppliers, which, for us as a processor, represents the technically unavoidable minimum within the context of quality and raw material properties.

Application Overview

Article	Article number	Manufacturer	Connector family	Housing Type	Number of poles

GPN 360 KS 2312 PCR-PE, blue	3602312RB61	Kostal	SLK 2.8	male	3
GPN 360 KS 2812 PCR-PE, blue	3602812RB61	Kostal	SLK 2.8	male	4
GPN 360 KS 3816 PCR-PE, blue	3603816RB61	Kostal	SLK 2.8, SLK 4.8	male	4

Your added values:

Better fit.

Protection for SLK compact connector sockets.

Saves time.

With practical tab for fast removal.

Cleaner.

Production in accordance with VDA Band 19 and ISO 16232 in our cleanroom on request.

Better.

Circumferential ribs for perfect design fit.

Seals better.

Protection against splashing water from any direction (IP44) depending on the specific connector design and quality.
